Learning Edition | 6.10

The Blue Prism Learning Edition is a locally installed, limited version of Blue Prism that is free to use for 90 days. This edition gives you the opportunity to learn how to automate business processes using your own digital worker and become part of the Blue Prism community. Begin your Robotic Process Automation (RPA) journey and discover new opportunities by becoming a certified Blue Prism developer.

Learning Edition comes with free access to resources, tutorials, and training materials through Blue Prism University including an educational program with online learning and certifications to upskill RPA end-users and developers. Users also get free access to Blue Prism Community & forums for support.

Learning Edition is simple to install and configure with our in-product, step-by-step guide.

License agreement

It's time for the all important agreement:

We (Blue Prism Software, Inc. if you are in the Americas or Blue Prism Limited if you are in any other jurisdiction) have set out here the terms that apply to the digital workforce we provide to you.

The relevant Parts of this document, and the order (where "order" means an order on the Blue Prism Order Form or other document agreed with us, or between you and an authorised Blue Prism reseller ("Reseller")), contain the whole agreement between you and us relating to the subject matter hereof and set out the terms on which you can use our products and services (our "Agreement"). The order sets out the software licensed to you (the "Software") and the support we provide. The Agreement starts on the date set out in the order and lasts until the end of the license term also specified there, unless it is terminated earlier in accordance with these terms.

PART 1 CONTAINS A STANDARD LICENSE. IF YOU ARE AUTHORISED TO USE THE SOFTWARE ON A STANDARD BASIS, PART 1 WILL APPLY. PART 1 ALSO APPLIES IN THE FOLLOWING INSTANCES, ALONG WITH THE RELEVANT ADDENDUM:

I agree to the terms in the license agreement
