Exam Discount FAQ

These FAQ's will help answer your questions about our Exam Discounts.

General

Q: What is the difference between the 2 discount codes?
A: Discount '**BLUEPRISM20**' offers a 20% discount on your second exam after you pass the first exam and only applies to Solution Designer and Professional Developer exams.

Discount '**BLUEPRISM50**' offers a 50% discount on ROM, Installation Engineer and Technical Architect exams. However, you must have passed one of the three exams first to receive the discount on the remaining 2 exams.

Q: What if I forget to add the discount code when I schedule my first exam, can it be added later?
A: No, you must add the discount code at the time of booking your first exam.

Q: I scheduled my exam before the codes were available. Is there a way to add in the codes before I take my exam?
A: No, unfortunately the codes must be added at the time of scheduling your first exam.

Q: I have already passed my Developer and already have the Solution Designer exam booked. Can I add the code to the exam and receive the discount?
A: No. However, you can cancel your exam (outside of the 48-hour cancellation policy) and receive a full refund. You can then rebook the exam with the discount code.

FAQ's – BLUEPRISM20

Q: Which exams can I use this discount code on?
A: You can use this code when booking Developer, Solutions Designer or Professional Developer exams. The discount will be automatically applied to your next exam when you pass the first exam.

Q: Does the discount apply to the Developer Exam?
A: No. You can apply this code to the Developer exam; however, you will not receive a discount. The discount will apply to the Solution Designer or Professional Developer exam once you have passed the Developer exam.

Q: What is the 'first exam' for the 'BLUEPRISM20' discount code?
A: The first exam could be either the Developer, Solutions Designer, or Professional Developer exam. The discount code does not apply to the first exam.

Q: I have applied code 'BLUEPRISM20' to my account, but I have not received any discount on my exam?
A: Code 'BLUEPRISM20' will not provide you with a discount on your first exam. You use this code when booking the first exam. If you pass this exam, you will automatically receive 20% off on your next exam - Solution Designer exam or Professional Developer exam.

Q: I used this code on Developer exam and passed, I have received a 20% discount on my Solutions Designer exam. Can I also get 20% off my Professional Developer exam too?
A: No, this code can only be applied once

Q: Can I use this code if I already passed the Developer exam?
A: Yes, you can use this code on your Solutions Designer exam. After your pass, you will automatically receive 20% off on the Professional Developer exam. Or you can book Professional Developer exam first. The same rule applies.

FAQ's – BLUEPRISM50
Q: Which exams does this code apply to?
A: Code BLUEPRISM50 can be applied to our Technical Architect, Installation Engineer, and ROM Exam.

Q: I have recently passed the Developer exam. I tried to apply code BLUEPRISM50 to the Technical Architect exam, and I received an error.
A: This code can only be applied if you have passed one of the following exams previously:
- Technical Architect
- Installation Engineer
- ROM

Q: I have successfully used the code to book my ROM exam and passed. Can I use the code again to book my Technical Architect exam?
A: Yes, you can use this code multiple times as long as you have passed one of the below exams.
- Technical Architect
- Installation Engineer
- ROM

Q: Do I have to take these exams in a certain order for the codes to work?
A: No, if you have passed one of the three included exams, you will be able to get 50% off the remaining two exams.

Q: I already have passed my ROM and already have the Installation booked. Can I add the code to the exam and receive the discount?
A: No. However, you can cancel your exam (outside of the 48-hour cancellation policy) and receive a full refund. You can then rebook the exam with the discount code.
